

## **Parkersburg & Morgantown, WV and Athens, OH for April 27, 2018**

Greetings everyone:

Time passes so quickly and next Monday the month of May will be here. Pentecost is coming up on May 20th.

Cheryl and I are planning to attend our grandson's graduation on June 1st. We will also be visiting our family in Salt Lake city late in May.

There is some progress on the building in McKinney, TX. They are going to be 60 piers which must be drilled and poured under the foundation. After that they can start pouring more cement that is needed.

See the attached file for the latest announcements from HQ. The May calendar is also in an attached file.

Cheryl and I plan to be in Morgantown tomorrow.

Have a good Sabbath!

Bill Jahns

### **Festival registration is now open**

We ask that ALL COGWA households please complete the online Festival registration—whether attending in the U.S. or internationally. If adult members in one household are attending different sites, they will need to register individually. We also ask that those NOT attending please register as well—this gives us more accurate figures for planning.

Beginning at 10 a.m. Eastern time on Sunday, April 1, members can begin accessing the <http://feast.cogwa.org> web page for Feast registration. The email address of the registrant will be used to identify that person's or family's registration account. After accessing the COGWA Feast web page, simply click on the "REGISTRATION" tab and begin the process. All registrants will receive an email verification immediately after completing the first step of registration. To complete the process, simply access that email, click on the link provided and finish your Festival registration.

« **Members without Internet access** should be assisted by their local Festival adviser.

**Registration for satellite sites:** As we have already mentioned, COGWA will be sponsoring two satellite Festival sites in southern Minnesota and southern Florida this year. These are *restricted attendance* sites designed for those members in that region who find it difficult to travel to their regular assigned Feast site (Branson, Missouri, and Orange Beach, Alabama). The members in those areas will receive further information about attendance requirements for those two sites; however, we want the rest of the membership to be aware that these two Festival sites are for those affected in that region, along with any family members who choose to join them.

## **ANNOUNCEMENT:**

In the first week we have over 60 percent of our U.S. COGWA members registered for the Feast of Tabernacles! While Festival registration will continue to be open over the next few weeks, we **strongly** encourage those members who have not yet registered for the Feast of Tabernacles to do so soon. This includes those who will not be able to attend the Feast. These registration numbers greatly assist us in our early Festival planning.

Please note: **Rapid City**, South Dakota, is **now closed** to further registration, as it is at total capacity. Those members who have not yet registered may want to consider **San Diego**, California—a wonderful West Coast destination—for the Feast this year. In addition, there remains plenty of room at all remaining U.S./North American Feast sites.
