

ANNOUNCEMENTS

for April 10, 2020

Parkersburg & Morgantown, WV and Athens, OH

Greetings everyone:

It has indeed been a busy week again. We had our first webcast last Saturday and had around 37 hooked up. See below for instructions. Brethren who do not have internet can hook up by phone. The webcast for the Passover went well and most were able to hook up.

Mr. Franks gave us an update of the situation around the world. In some countries like Zimbabwe they are having serious difficulties getting food. Some could not even get flour!

Tomorrow, the local webcast is scheduled to start at 10:30 AM. The Headquarters telecast will start at 1:00 PM our time. See below for details.

Please feel free to contact me if there are any questions or problems.

Have a great Sabbath!

Bill Jahns

COGWA UPDATE

Festival registration opens on Sunday, April 12, at 10 a.m. Eastern time. We ask that ALL COGWA households please complete the online Festival registration—whether attending in the U.S. or internationally. If adult members in one household are attending different sites, they will need to register individually. We also ask that those NOT attending please register as well by selecting NOT ATTENDING as their site choice. This gives us more accurate figures for planning.

Beginning at 10 a.m. Eastern time on Sunday, April 12, members can begin accessing the feast.cogwa.org/ web page (or directly to portal.cogwa.org/acct if you already know where you want to attend) for Feast registration. The email address of the registrant will be used to identify that person's or family's registration account. After accessing the COGWA Feast web page, simply click on the "Registration" button and begin the process. All registrants will receive an email verification immediately after completing the first step of registration. To complete the process, simply access that email, click on the link provided and finish your Festival registration.

Members without Internet access should be assisted by their local Festival adviser.

Sabbath service webcast—April 11: This will be our fifth Sabbath to hold remote services. Services will be webcast live on cogwa.tv from the Church office in McKinney, Texas, and will begin at 12 noon, Central Daylight Time. For those calling in, the dial-in number is **605-472-5473**, and the participant code is **130095**.

COGWA Youth Camp Video: We will also be showing the COGWA Youth Camps 2020 video presentation during the headquarters webcast of April 11. We hope that all families will tune in to view this short, but encouraging seven-minute video presentation about our youth camps and plans for this coming summer of 2020. For your information, we will also post the 2020 camp video on the CYC web page in the near future.

Local Sabbath service webcasts: Most U.S. church areas have the times and links to their local Sabbath service webcasts currently posted on cogwa.tv. Church areas are listed in alphabetical order. If your church area is not listed, contact your pastor to receive information about your local webcast.
