

ANNOUNCEMENTS

for November 27, 2020

Parkersburg & Morgantown, WV and Athens, OH

Greetings:

This year Thanksgiving was unique for all of us. Cheryl and I stayed home for the first time in many years. Sadly, the pandemic continues and we need to be cautious.

The good news is that the Pennsylvania border crossing rules have been clarified. You can cross the border if you do not stay over 24 hours. See the Pennsylvania site for details. (<https://www.health.pa.gov/topics/disease/coronavirus/Pages/Travelers.aspx>)

We look forward to the upcoming marriage of Joshua Travers and Victoria Johnson on December 20th. Mr. David Johnson is scheduled to be the speaker on December 19th at Libby's Pumpkin Patch. See below for details.

Also, on December 26th a special webcast from COGWA will be shown in both Morgantown and Athens-Parkersburg.

We certainly can be thankful for all the blessings we still have in our country.

Cheryl and I plan to be in Marietta tomorrow.

Have a great Sabbath!

Bill Jahns

Pastor Morgantown & Athens-Parkersburg

Updated COVID-19 Policy from COGWA

Any attendees to our church services who know they have been *exposed* to COVID-19 should quarantine and receive care and guidance from a qualified medical professional. They may not return to Sabbath services until they have received clearance to do so from a qualified doctor or physician, have tested negative (5-7 days after exposure) or have quarantined for 14 days and are symptom-free.

If a Church member (or other attendee) *tests positive* for COVID-19 within 10 days of having attended a COGWA church service, meeting or event, the following procedures should also be followed:

- We ask that members inform their pastor as soon as possible upon learning of a positive test.
- Since tests are conducted by health care professionals, any positive COVID-19 result will already have been reported to the county health department or other appropriate government health officials.
 - If the state, county or city of the congregation (or member) has additional requirements beyond these actions, the Church will generally cooperate with any public health measures designed to stop the spread of COVID-19, and the Church encourages members to do the same.
