

## **ANNOUNCEMENTS**

**for December 11, 2020**

### **Parkersburg & Morgantown, WV and Athens, OH**

Greetings everyone:

We are quickly approaching the end of this calendar year. The coronavirus situation is still with us and many states are having more cases. Because of this situation I am requesting those attending Morgantown to wear their masks throughout Sabbath Services. This has already been the case for those attending in Marietta. See the attached file for the updated instructions for the updated instructions from the church for "Returning to Services."

Next weekend Mr. David Johnson is scheduled to give the sermon. Remember that Athens-Parkersburg Sabbath Services will be at Libby's Pumpkin Patch at 10:30 AM. See below for more details. Also, the wedding of Josh Travers and Tori Johnson is scheduled on Sunday, December 20th. If you are planning to attend the wedding, please call Josh on his phone which is 740-656-5087.

Also, Mr. Frank's member letter is in the attached file. He discusses the prayer of David about the temple in I Chronicles 29. Indeed, our lives are but a vapor and we must always remember that our hope is in the coming of Jesus Christ to the earth and the resurrection of the dead.

Cheryl and I plan to be in Marietta this week.

Have a blessed Sabbath!

Bill Jahns

Pastor Morgantown & Athens-Parkersburg

## Updated COVID-19 Policy from COGWA

Any attendees to our church services who know they have been *exposed* to COVID-19 should quarantine and receive care and guidance from a qualified medical professional. They may not return to Sabbath services until they have received clearance to do so from a qualified doctor or physician, have tested negative (5-7 days after exposure) or have quarantined for 14 days and are symptom-free.

If a Church member (or other attendee) *tests positive* for COVID-19 within 10 days of having attended a COGWA church service, meeting or event, the following procedures should also be followed:

- We ask that members inform their pastor as soon as possible upon learning of a positive test.
- Since tests are conducted by health care professionals, any positive COVID-19 result will already have been reported to the county health department or other appropriate government health officials.
  - If the state, county or city of the congregation (or member) has additional requirements beyond these actions, the Church will generally cooperate with any public health measures designed to stop the spread of COVID-19, and the Church encourages members to do the same.
